

# Terra Firma Farm Home School Days

**Welcome Homeschoolers! Terra Firma Farm offers farm animals, gardens and woodlands to the willing minds, hearts and hands of homeschoolers! Here at the Farm, students have a chance to explore woods, fields and care for the animals, work in our garden, build, write, and learn through experience.**

**Our Home School Program** takes full advantage of the rich curriculum provided by Terra Firma Farm's animals, gardens and natural areas. We will combine hands-on (animal care, gardening, building, data collection) with quiet time (journal writing, reflection, drawing). We will meet all of the farm animals and discuss the farm cycles which involve animals (manure to soil, hay to milk and eggs). Once familiar with the entire menagerie, we will get our hands into farm projects that will lead us through the barns, pastures and gardens! Home School days are designed for children to be dropped off, with learning and laughter guaranteed!

Our Winter Session will include:

### **January 14<sup>th</sup> & 28<sup>th</sup> : 200 Chicks!!**

There are 200 new baby chicks at Terra Firma Farm and we need your help! The batch is a mix of all different breeds and types of laying hens- help us decide which breed each chick may grow to be! Explore with us as we learn all about chicks, chickens and the amazing world of egg-laying!!

### **February 11<sup>th</sup>: Curds & Whey**

There is nothing more delicious and exciting than making farm fresh cheese!! For our first class we will we make, stretch and sample our own homemade mozzarella cheese!!

**Thursdays; 1 to 3 PM    Fee: \$20/month**

---
