

Terra Firma Farm Spring After School Program

Grab a Goat! Choose a Chicken! Pick a Pig! Love a Lamb! Do-Se-Do a Donkey?

This after school program will teach participants (Grades K-8) all there is to know about the care of farm animals. Participants will “adopt” an animal for the session that they will then be responsible for. They will groom, train and practice showing their animal for the Farm Show at the culmination of the program. Family members will be invited to their child’s last session to watch the kids and their animals as they compete for first place in the Terra Firma Farm Show!

When: The Spring After School program starts the week after April Vacation and runs for 8 weeks. Students are dropped at the farm after school on the school bus and must be picked up by 5:30PM. The After School program is now offered Mondays through Fridays for all ages.

Middle School Youth Farm Experience: We are inviting middle school students (5th-8th Grade) to join Farm staff after school to take care of the animals and help with farm chores. During the months of April, May and June students will be involved in animal chores, starting our vegetable seedlings, transplanting and preparing our gardens. After chores are completed participants will join into the Farm Show program listed above.

Middle School Program: 3-5:30

Elementary Program: 4-5:30

Fee: \$12 per day / \$96 entire 8 week session.

SPRING 2008 AFTER SCHOOL ENROLLMENT
